Our Project

A group of dedicated ex staff and students have been working on writing the history of MLTC so that our amazing experiences at this wonderful institution will not be forgotten.

This project is in 3 sections. Part 1 is the history of MLTC for the first 10 years. Part 2A is the staff story and Part 2B the student story. Part 2 is the lived experience, conducted through the use of questionnaires and interviews as well as stories.

If you would like to meet old friends and be part of this amazing project, please contact us. We have two websites at:
